

GLOBAL RELAY FROM EAST TO WEST

The TAFISA World Walking Day - 24 Hours Around the Globe will take place on **Sunday 2 October 2022 from 10am local time**, creating a wave across the world from East to West and covering all 24 time zones.

The event aims to build bridges and connections between people. Beyond a simple event, it provides a platform for sharing causes and values important to you, and shows that the Sport for All Movement stands together and united to create a better world. This year, TAFISA will strive to promote **peace and solidarity**, bringing participants together to foster harmony, friendship, and build bridges between groups, communities and nations.

Join us, choose your activity (it can be walking, cycling, horse riding, canoeing, climbing, any sport you want!) and pass the baton for a cause that is close to your heart! By sharing the videos and pictures of passing the baton, you can contribute to the team effort to help connect the world through a planet-wide relay!
